

Datasheets – translation from Danish to English

Input

gylle og fast gødning	manure (liquid and solid)	t/år (t/year)
energiagrøder	energicrop	

Output

Gas (forventet)	gas (expected)	
Afgasset gylle (forventet)	liquid manure after digester (expected)	

Transport

Total fraført biomasse	liquid manure after digester (total)	
Transport rørledninger	transportation in pipelines	
Transport lastbil	transportation by truck	
Antal transporter årligt	number of transportations pr. year	
Gyllelæs	liquid manure in tons	
Fast biomasselæs	solid biomass in tons	
Antal læs gylle	number of transportations (truck) – liq. manure	
Antal læs biomasse	number of transportations (truck) – biomass	
Total antal læs	number of transportations (truck) – in total	
Antal arbejdsuger/år	number of workingweeks/year	
Antal arbejdsdage/uge	number of workingdays/week	
Antal transporter	number of transportations on Working days	

Areal behov m²

Bygningselementer	plant elements	
Højde i m (max.)	height in m (max.)	
Tankhøjde	height of tank	
Tankhøjde over terræn	height of tank above groundlevel	

Required area size

Primær/sekundær rådnetank	primary/sekundary digister
Fortank	receiving tank
Lagertank med overdækning	storage tank (covered)
Gaslager	gasstorage (integrated in storage tank)
Regnvandstank	rainwater tank
Læsse- /lossehal	building for handling
Teknik-/mandskabsbygning	building for technical installations and personnel
Øvrige anlæg	others
Plansilo/ensilageplads	silo/storage of silage
Plansilo fyldt med ensilage	silage filled silo
Gylletank med overdækning	tank for liquid manure (covered)
I alt bebygget	buildings in total
Areal beplantet	area (vegetation)
Areal til vej og kørsel	area (driving)
Vejadgang	driveway
Ikke befæstede, beplantede eller bebyggede arealer	area without pavement, vegetation or buildings
Areal grund m2	total area size in m2
% bebygget areal af grundareal	area with buildings in percent of total
Afstand til nærmeste nabo	distance to nearest neighbor
